Heather Baker

Heather,

God has blessed me with a very special daughter. You have taught me so much in the last four years. You have shown me what it means to never give up. You have taught me patience, compassion, understanding and the will to beat all odds. But, most of all, you have shown me, the power of what love can do. We have always had a special bond between us, that has grown stronger these last four years.

Sheila, David, Scott and Dad are so proud of what you have accomplished. You have shown us all great strength. We know that you'll get well out of sheer determination. We love you!!

God Bless,

Mom

WISH YOU WERE HERE

We thought of you today
And that was nothing new,
We thought of you yesterday
And we will tomorrow, too.
We think of you in silence
And make no outward show
For what it meant to lose you
No one will ever know.
You were gone before we knew it
And only God knows why.
Your golden heart stopped beating
Your tender heart's at rest
God broke our hearts to prove to us
He only takes the best.
Its lonely here without you.
We miss you more each day.
Life is not the same for us
Since you were called away.
Each time we see your picture,
You seem to smile and say,
"Don't cry, I'm only sleeping,
We'll be together again someday."

Jason Michael O'Kelly
Sept 5, 1977 - Aug 21, 1994

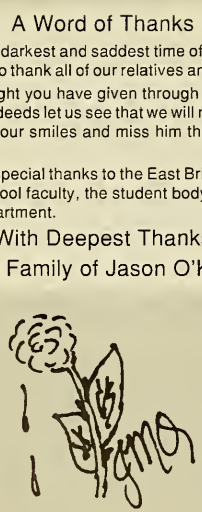
A Word of Thanks

In the darkest and saddest time of our lives, we wish to thank all of our relatives and friends.

The light you have given through your support and deeds let us see that we will remember Jason in our smiles and miss him through our tears.

With special thanks to the East Bridgewater High School faculty, the student body and athletic department.

With Deepest Thanks
The Family of Jason O'Kelly



Someone once said that everyone is a
angel in training, we just need to spread ou
wings and fly. Jay learned to fly and tried t
teach us all how.

He made us appreciate all that we have
His goal was to bring us all closer together
In his death, he has succeeded. He loved u
all individually and we all have our ow
special memories of him. His laughter wi
forever echo in our hearts and his boyish gri
is branded onto our minds.

Jay was everyone's best friend. He a
ways had a piece of advice or a big bear hu
to put a smile on your face. We are all bette
off knowing him, and with him goes a littl
piece of all of us. His job here has ended an
he has gone onto another place to hel
others like he did for all of us.

He will always be with us, though–h
made such a huge impression on all of ou
lives that he will forever be a part of each an
every one of us.

The Torch Yearbook is just one way to capture our memories of high school. The yearbook shows the different aspects of high school life and is a keepsake of many students. The essence and spirit of East Bridgewater High School is shown through these pages of the Torch. The dedicated staff has put many long hours into the production of the Torch, and their hard work has paid off with a successful yearbook. The staff would like to thank Mr. Paone and Mrs. Russell for their time, patience, supervision and guidance that has made the 1995 Torch yearbook a complete success.

A Special Tribute to Anne Hynes

Students from the Past Front Row: Barbara Putt, Janet Perkins, Anne Hynes, Helen Backstrom. Back Row: Joanne O'Brien, Sue Crowley, Ginny O'Kelly, Vernon Post and George McCabe.

This year marked the end of an era at East Bridgewater High School with the retirement of our beloved librarian, Mrs. Anne Hynes. Throughout her distinguished professional career, the contributions that Anne has made to the library program and to the educational environment of the high school have been unsurpassed. The inspiration, support, encouragement and guidance she has given, both educational and personal, will long endure.

Anne Hynes is a role model for those who have worked closely with her. She personifies the values she teaches to her students: integrity, compassion and intellectual honesty. Respected, admired and loved, she represents teaching at its best. The East Bridgewater High School community wishes our friend, Mrs. Anne Hynes, a long and happy retirement.

"...In this life, nothing good is ever lost. It stays part of a person, becomes part of their character. So part of you goes everywhere with me. And part of me is yours forever."

Rosamunde Pilcher

For all you have shared with us and our students...Thank you.

The East Bridgewater High School Faculty

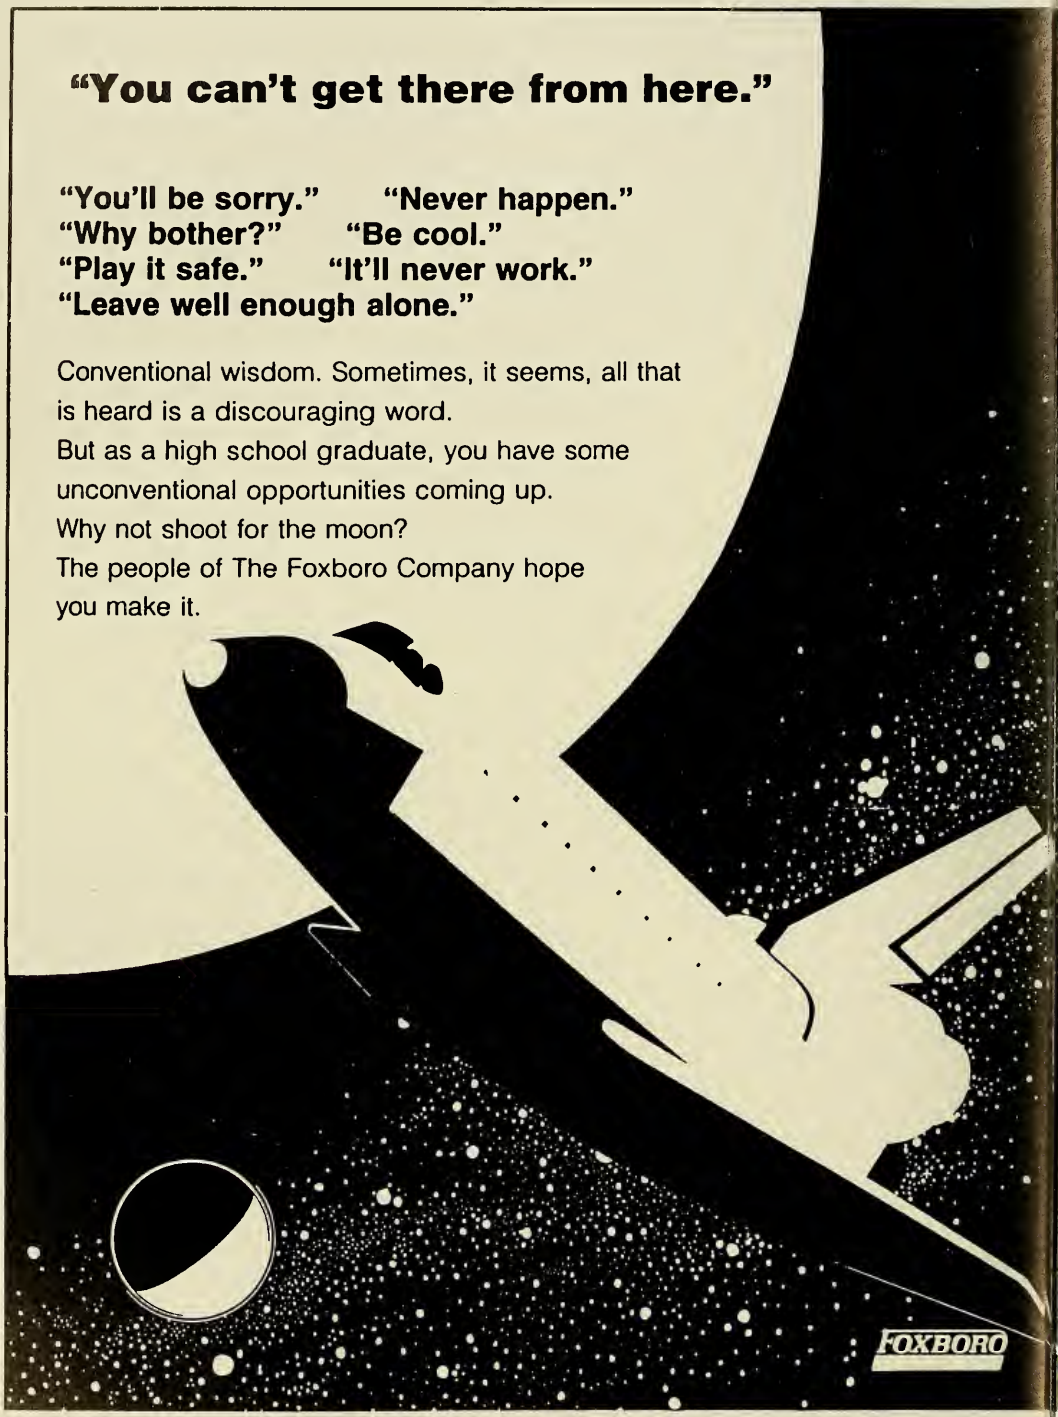
"You can't get there from here."

"You'll be sorry." "Never happen."
"Why bother?" "Be cool."
"Play it safe." "It'll never work."
"Leave well enough alone."


Conventional wisdom. Sometimes, it seems, all that is heard is a discouraging word.
But as a high school graduate, you have some unconventional opportunities coming up.
Why not shoot for the moon?
The people of The Foxboro Company hope you make it.
